

## LARGE SPATULA

## SPRING STEEL

40 2-2020

Our **LARGE SPATULAS** are available in two sizes. The thin flexible spring steel blade allows the tool to be used for effectively smoothing surfaces while providing troweling qualities. It may also be used as a regular squeegee to apply thin film materials.

### LARGE SPRING STEEL SPATULAS

#### NON-MARKING SQUEEGEE

SP30135	300mm x 100mm
SP60110	600mm x 100mm
